## SUMMARY

I am a dedicated and passionate front-end developer currently pursuing a degree in Computer Science & Engineering at Premier University Chittagong. I possess a solid foundation in HTML, CSS, and JavaScript, complemented by proficiency in C and Python. With a keen eye for design and a commitment to creating responsive and user-friendly web applications, I am eager to leverage my skills in a dynamic development environment. My academic background and hands-on experience in web development fuel my ambition to continuously learn and excel in the tech industry.
